## “A satisfying evening of traditional Hudson River music!”

Rick Nestler, best-known as the writer of the Hudson River anthem, “The River That Flows Both Ways,” and two of his long time musical companions entertain with river songs and shanties, colonial ballads to the popular music of today’s environmental movement. In the tradition of Pete Seeger, these talented musicians and their guitars, banjos, plus a mountain dulcimer, harmonica and more will have you singing along and tapping your feet to the Hudson Valley’s musical treasures.

URBAN H<sub>2</sub>O is a new performance venue in downtown Yonkers presenting the Hudson Valley’s best artists.

SHOWS are the third Saturday of every month at Beczak, an eco-friendly renovation of a former factory social club along the Hudson River. Steps from Yonkers Amtrak and Metro-North station. Ample free parking.

ALL SHOWS BEGIN AT 7PM.
