RETURN OF THE BALD EAGLE

February 26 at 7 PM

with **Tom Lake**
Hudson River Estuary Naturalist
with the NYS Department of Conservation
EDITOR of the
HUDSON RIVER ALMANAC

Hudson Valley eagle expert takes you behind the scenes with the [NYSDEC Endangered Species Unit](#) to recount the adventures of helping the Bald Eagle recover from the brink of extinction in New York State, with breeding pairs along the estuary climbing from 0 to nearly 30. Plus, a recap of [EagleFest](#), the annual Feb. celebration of the Bald Eagle's winter migration to the Hudson Valley.

The evening includes refreshments, a multi-media presentation and discussion.
